Commissioner for Patents

res The reply filed on February 23, 2004 is not fully responsive to the prior Office action because: Applicants have not elected an ~~election~~ species as required by 37 CFR 1.143. Applicants have stated that a species election was not required since the elected group did not have species election. However, these arguments are not persuasive since MPEP requires response to every point raised by the Examiner (see MPEP 818). Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ram R. Shukla whose telephone number is (571) 272-0735.
